to	Is work indicated on the 'Validity'of REC 'Orders'?		
1 P.M.	Might this more helpfully be expressed as 'Mutual Recognition of(Ordained) Ministries'?		
	Where does the matter stand right now, anyway?		
	Insights from the BEM document and/or the Lutheran/Episcopal Dialogues?		
	Does not this matter also raise the question of the'theologies'(Doctrine) of our respective Churches? Are they compatible? Different? Defective?'Orthodox'?		
	Have we, in fact, recognized (or could we recognize) one another as 'Churches'?		

1 to 2 P.M.	Conclusions and Agreement on the Recommendations of this Meeting to our Respective Churches. Are further meetings indicated as being* promising of useful results?	
	What should the focus (foci) of these Meetings be?	
	When? (Beginning Fall, 1991?)	
	Where? (Philadelphia?)	
	Whom? This group? Can we identify Resource Persons to augment our number?	
2 P.M.	Closing Prayer	Bishop Riches REC

*Can we agree we would recognize these results as leading to joint official actions, programs, and interchurch co-operation between our two Church bodies that would result in a more unified/effective Witness in the World to which we are sent?
